Oldenburg, August 24, 2009

Film Title: **My Pretty Pony**

Dear Mikhail Tank,

I am very pleased to officially notify you that the Selection Committee of the Oldenburg International Film Festival has selected your film as an entry in this year's event.

We are delighted to include this film in the program and look forward to presenting it to the German public and the media. It will be greatly appreciated if you could support our public relations work for the film and the festival and supply us with further publicity material, such as photos & slides, press kits with synopsis and cast/production information. Since we are currently finishing the festival catalogue we would need these informations quite urgently. If possible could you send us one or two photos via email (dispo@filmfest-oldenburg.de), so we can include your film into the catalogue.

Please inform us about the exhibition format (16mm, 35mm, beta sp, digibeta, etc.) of your film and if it will be possible to provide us with the print or tape until September 1, 2009.

If I can be of further assistance, don't hesitate to contact the Oldenburg office anytime. I am looking forward to hearing from you.

With kind regards

Dennis Ruh
